

QUICK FACTS

about Adventure Treks

OUR MISSION

To create the safest, most exciting, and most substantive outdoor summer adventures through our personal attention, our caring, and our competence.

WHO WE SERVE

Teenagers 12-19 (6th-12th+ graders), adults, and families! See our trips for adults and families [here](#).

STUDENT GOALS

Our students will have the most fun summer of their lives, experience real personal growth, be an engaged member in a close-knit community of peers, further their love of the outdoors, and develop valuable life skills and greater sense of self.

LOCATIONS

Washington, Oregon, Wyoming, Idaho, California, Colorado, British Columbia, Alaska, Maine, Peru, Belize, Slovenia, and Norway

ACTIVITIES

Hiking and backpacking, camping, rock climbing, whitewater rafting and kayaking, ice climbing, canoeing, sea kayaking, inflatable kayaking, mountaineering, and mountain biking. Leadership Summit includes a wilderness medicine certification course.

For most trips, no experience necessary!

GROUP SIZES

We can accommodate student groups of up to 20-24, though trips may be smaller. Our international trips have a maximum of 12-14.

QUALITY STAFF

Our instructor-to-student ratio is the best in the industry at 1 staff to every 4 students. (Most teen programs have a 6:1 ratio.) Our staff are older, more experienced, and more qualified. We also pay our staff a higher wage than our competitors.
